REQUEST FOR CORRECTED FILING RECEIPT

RECEIVED

APR 23 2002

Technology Center 2600

SIR:

An Official Filing Receipt was recently received in this application in which the Applicant information is incorrectly identified. The following correction is respectfully requested. A copy of the original Filing Receipt is attached, showing the requested correction in red.

Under APPLICANT(S), please delete the second and third lines.

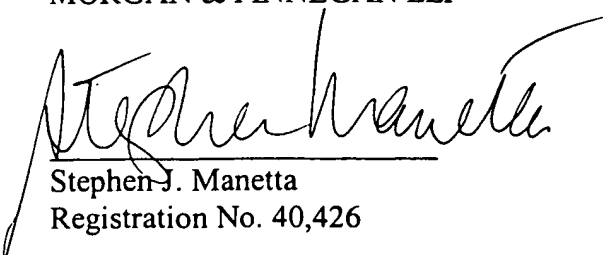

As is noted on the Utility Application and Fee Transmittal filed in this case, there is only one inventor of this application, Jae Young Lee. The second and third lines which appear on the Filing Receipt as second and third inventors are in fact portions of the address of the sole inventor Jae Young Lee.

While no fee is believed to be necessary for this request as the error appears to be on the part of the Patent Office, the Commissioner is hereby authorized to charge any fees which may be required for this request, or credit any overpayment to Deposit Account 13-4500, Order No. 4251-4005.

Respectfully submitted,
MORGAN & FINNEGAN LLP

Date Mailed: 03/01/2002

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
